**NOTE:**

Values listed in the above table represent the number of Unique Students *at the level you are looking at*, and therefore summing up corresponding rows may lead to an over-inflated value. For example, a student attending both Athabasca University and the University of Alberta will be counted once in each corresponding row, but will also only be counted once when looking at the Comprehensive Academic and Research sector total.

- Full Time students are those students that were enrolled as a full-time student (at least 60% of full course load) in *at least one session* in the academic year.
- Part Time students are those students that were enrolled ONLY as part-time students (less than 60% of full course load) in *all sessions attended* for the academic year.
- The headcounts reported above are true headcounts, where students are counted once for each institution / academic year.

**Institution Related Notes:**

1. The University of Alberta assumed responsibility for Augustana University College on July 1, 2004. Augustana values have been included in the university count.
2. In September 2009 the Lieutenant Governor in Council changed the name of Grant MacEwan College and Mount Royal College to Grant MacEwan University and Mount Royal University.
3. On May 3, 2007, Alliance University College and Canadian Nazarene University College merged to become Ambrose University College.
4. As of June 30, 2009, Taylor University College and Seminary became Taylor College and Seminary and ceased offering undergraduate academic baccalaureate programs, meaning no enrolments will be reported as of 2009-10.
5. This sector does not include The Banff Centre, as The Banff Centre does not report through LERS. Data for enrolments at The Banff Centre are listed separately at the bottom of the table.
